

Full Service Marketing For **Your** Home

1 Quality Magazine

Our eye-catching graphics and detailed property descriptions make Homes & Land the magazine that buyers pick up first and keep throughout their home search.

2 Exposure Across North America

We publish our Web address and 800# on approximately 60 million magazine covers annually. Homebuyers across North America can request a free magazine from your area.

3 Mass Distribution

Homes & Land is distributed at locations frequented by qualified buyers including grocery stores, hotels, restaurants and shopping centers.

4 Targeted Direct Mail

We send Homes & Land to people actively buying and selling real estate: home sellers, FSBOs, major employers, Chamber of Commerce inquiries, and top real estate agents.

5 All Over the World Wide Web

Homes & Land posts your property on HomesAndLand.com, which attracts the most affluent audience in real estate.* We also link your property to other high-traffic sites like Yahoo!, Google, Trulia, HomeGain, Oodle – sites that attract over 100 million visitors a month. High-end listings are also linked to WallStreetJournal.com and NewYorkTimes.com. In addition, we create a Homes & Land EZ Tour of your home because listings with visual tours are more likely to be viewed by serious homebuyers.

By advertising in Homes & Land, your REALTOR® is investing in the most comprehensive marketing plan in the real estate industry. Trust the selling of your home to the professionals: Your REALTOR® and Homes & Land!
